Data Analytics & Supply Chain Experience

Sales and Pricing Coordinator — Engine Company Lawns
Palm Harbor, FL — May 2021 to Present
Conduct sales estimate, and price planning for regional lawn care business as well as route optimization for improved cost and scheduling efficiencies.

Inventory Analyst — Target
Minneapolis, MN — February 2018 to March 2019
Oversaw comprehensive international supply chain, including allocation efficiency, database querying, and vendor relationship management, for luggage, a $60M business segment. Played an integral role in the supply chain positioning for five $25M+ brand launches.

Supply Chain Intern — Kerry
Beloit, WI — June 2016 to August 2016
Led inventory reconciliation project reclaiming over $600K in lost inventory.

Lean/Six Sigma Intern — Lucas Milhaupt
Milwaukee, WI - February 2016 to May 2016
Highly selective internship where I identified the root cause of abnormally high defect rate at an aerospace manufacturing facility. Delivered a new process that reduced defect rate by 80%.

Lean/Six Sigma Intern — BloodCenter of Wisconsin
Milwaukee, WI — August 2015 to December 2015

Logistics Intern — Charter Steel
Saukville, WI — January 2015 to December 2015

Mathematics and Data Science Instruction Experience

Assistant Director & Lead Tutor — Mathnasium
Palm Harbor, FL — February 2020 to Present
Drive revenue with new member acquisition, retention strategies, and sales team training, resulting in 25% year-over-year membership growth. Coordinate personalized curriculum strategies for secondary education with expertise in AP Calculus, AP Statistics, and Linear Algebra.

High School Programming and Mathematics Instructor — Pinellas County Schools
Pinellas County, FL — February 2023 to Present

Education

Marquette University — Milwaukee, WI
B.S. in Operations and Supply Chain Management — September 2013 to May 2017
Lean/Six Sigma, Continuous Improvement, Demand Planning, Financial Forecasting, Logistics, Manufacturing, Managerial Accounting

B.S. in Information Technology — September 2013 to May 2017
Project Management, IT Deployment, Programming, Database Design, SQL, CapEx Accounting

CERTIFICATIONS & SKILLS

MITx 6.431x   Probability: The Science of Uncertainty and Data
January 2022 to May 2022

Probability Theory, Probability Distributions and Analysis with Mathematical and Numerical Integration, Bayesian Statistics, Computational Simulation, Symbolic Programming

MITx 6.86x   Machine Learning with Python: From Linear Models to Deep Learning
April 2022 to August 2022

Exposure to historical and current ML: Regression, Neural Networks, Optimization, Unsupervised Learning

MITx 6.00.1x   Introduction to Computer Science and Programming Using Python
January 2021 to May 2021

MITx 6.00.2x   Introduction to Computational Thinking and Data Science
March 2021 to May 2021

Languages
English (Native), French (Fluent — 15+ yrs), Spanish (Intermediate — 2 yrs.)

Managerial Skills
Public Speaking (10+ yrs.), Lean/Six Sigma (8 yrs.), Continuous Improvement/Kaizen (8 yrs.), Training (3 yrs.), Sales (3 yrs.)

Analytical Skills
Statistics/Bayesian Reasoning/Modeling (10+ yrs.), DMAIC (8 yrs.), Process Modelling (8 yrs.), Multivariable Calculus/Optimization (8 yrs.), Linear Algebra (6 yrs.), Design of Experiments (2 yrs.)

Technical/Data Science Skills
MS Excel (15+ yrs.), VBA Programming w/ MS Office (10+ yrs.), Data Visualization (10+ yrs.), Python (8 yrs.), Numpy (5 yrs.), Pandas (5 yrs.), Matplotlib (5 yrs.), SQL (3 yrs.), Tensorflow (2 yrs.), C# (2 yrs.), HTML + JavaScript & CSS (2 yrs.), Java (1 yr.), SAP (1 yr.), Salesforce (1 yr.)
